## Part-B

1. The bulk of the students force comes from tribal community of the region. In view of their lack of communication skills and language skills especially, English , the college invited Prof. J.N.Shinde and Prof. R.D. More to teach English to the BSW classes. Similarly skill development exercises were undertaken during the academic year of 2007-08.
2. The college conducted a survey of 750 tribal families residing in 14 hatties, a separate neighborhood in the outskirts of Taloda Town, in the first week of January, 2007. The Integrated Tribal Development Project Taloda wanted data for extending Gas

facilities to the tribal families.

3. A survey of 399 families of manual scavengers was conducted by six groups of the college students covering nearly entire population of those engaged in unclean occupation . The Director of Social Welfare directed to conduct the survey and a budget estimate to the tune of Rs. Three lakhs has been submitted to the concerned Department.
4. Seventeen members team of the college performed one act play on the theme of social discrimination against the eunuch during the Youth festival held at Chopda by the University and Mahatma Gandhi college of Arts, Comm. and Science. The team though failed to win any award, succeeded in focusing on a social problem.
5. The college arranged orientation visits to various industrial plants and voluntary organizations during 2007-08. The novel rural development and training project undertaken by the rural masses under the dynamic leadership of renowned social worker shri Anna Hazare at Ralegansiddhi Dist. Ahmednagar was studied during the visit. The tour was arranged from 20eith Feb.2007 to 1<sup>st</sup> day of March, 2007.
